## FIRST DAY OVERVIEW

Dear Victus families:

As the summer holidays have come to an end and we prepare for the return to school, we want to ensure that everyone has a great start to the school year. This begins with a positive first day back and here is what the start of that day will look like.

8:20 Bell - School Day Begins

Students to gather in their designated area in the foyer to meet their homeroom teacher. These are the areas with yellow tape, sectioned off and labeled with their grade. From there, our classes will head upstairs and review their section of assigned lockers and homeroom location, before gathering in the stands for a school wide assembly.

We will be gathered as an entire school for the morning announcements, welcome messaging and staff introductions. Families are more than welcome to join us! Once the assembly has ended, our classes will proceed to their first period class.

We are incredibly excited to see everyone on tomorrow morning!

Enjoy this beautiful holiday Monday.

Sincerely,  
Principal Furfaro

Should students require another jersey or socks throughout the school year for any reason, they are available for purchase in-school at any time.

## HANDBOOK

We have updated our Student/Parent Handbook for the 2023/2024 school year and it is important that students and parents review this prior to the first day of school:
