MESSAGE FROM PRINCIPAL FURFARO

Dear Victus Families,

Where did the time go? As the summer holidays wind down and we go into our last week before the return to school, I want to extend a warm welcome to you. I am very excited about this new school year as we have so many things to celebrate already:

- A special welcome to several new families and students!
- We have an increased enrolment which has our secondary classes close to capacity!
- Our Prep Team is well on its way to kicking off a great start to their campaign!
- Our Co-op program is flourishing with student interest heading into its 2nd year!
- Field trips, excursions, special events, and celebrations are being scheduled!

Our staff continues to work hard to ensure a smooth transition for our students. Our office is open we are available to meet your needs. Please do not hesitate to call if you need anything.

Early next week, each homeroom teacher will be sending out a welcome email to their families as well as a personal phone call to introduce themselves and make a connection with you. Some of the message will include mandatory classroom supplies. This will differ between grades but as a guideline, each student should have at least the following base set of school supplies: Pens, Pencils, Eraser, Ruler, Lined Paper (8 ½ x 11), Large Binder w. dividers, Pencil Crayons (Gr. 5-8), Charged Laptop w. Charger Calculator.

Along with the introductory email, we will be sending out the "First Day Package" so that you can have time to go through all of the information well in advance. On Thursday, August 29 and Friday, August 30, our teaching staff will be involved in professional development and will have limited availability throughout these days. We are excited to see everyone on Tuesday, September 3 bright and early with smiles on!

Many thanks and enjoy the rest of your summer holidays.

VICTUS APPAREL ORDERS

Apparel orders placed before the deadline will be arriving within the next few days. Parents will receive an email notification when their order is ready for pickup. If your order was placed after the deadline, you can expect to receive it by the second week of September.

Victus offers a variety of used uniforms available for purchase. To schedule a time to view these items, please email Jessica.

***Please Note:** All students will be fitted for and receive an on-ice jersey and socks during the first week. To ensure a comfortable and proper fit, students will be able to substitute for different sizing for this week only, so we encourage them to err on the larger side in case they grow or purchase larger equipment. As per our dress code policy, students must keep their jersey and socks in good condition. Should students require another jersey or socks throughout the school year for any reason, they are available for purchase in-school at any time.
