GRADE 9 SCIENCE

Students are learning to write a lab report: comparing independent and dependent variables, using controls, collecting data, and displaying the details in tables and graphs. Does the height of a ball drop impact the number of bounces?

TEAMBUILDING - GRADE 12 LEADERSHIP

FRIDAYS: STUDENT ATHLETE DEVELOPMENT & HEALTH CURRICULUM

As part of the Ontario Health and Physical Education curriculum, there are learning expectations that carry into the classroom. On Fridays, we do not facilitate the ice and strength programs, but we do complement the curriculum with academic sessions in Health and Student Athlete Development. This morning, our students focused on goal setting and their player profiles. This information can be found in Schoology, our learning management system (link below):

VICTUS ACADEMY FALCONS

Please see the page below for more information on the Victus Academy Falcons!

Welcome to the Victus Academy Varsity Falcons! Our varsity program for the 2024-25 school year offers an unparalleled opportunity for student athletes to excel in both their athletic and academic pursuits. With a comprehensive and well-rounded program that includes top-notch hockey training, academic education, and life skill development, we're committed to nurturing the holistic growth of our students.

Victus Academy Varsity Falcons: are participating in the NAPHL, a Prep Hockey League that provides elite competition and exposure to Canadian Junior programs, US Junior programs, Canadian Major Junior and NCAA hockey programs. Students at the school can participate in the varsity program and if they are not presently and have interest should follow up with Coach Todd.

Team Practices will be Tuesday and Thursday with Coach Todd and his Staff. Monday and Wednesday will be Skill training and Skating development with Coach Mark and Mike.

Our program starts September 17 and will continue till end of school season.

Players are being set up on Bench App it is an app for the phone that allows coaches to communicate with entire team the schedule, practice plans, travel itineraries and player chat feature.
