NEWS FROM THE BENCH

Coach Todd is setting the tone right from day one and this is a team that wants to come out of the gates and build a compete level and get better every time they touch the ice.

"That's what's cool about when you have a new environment like this, you can kind of build a new identity right from the get-go and it certainly looks like that's what Coach Todd and his staff are trying to do. it's an exciting time to be a Falcon.
