Message From Principal Schnarr

Victus Families!

Our teachers and staff have been working diligently to prepare midterm reports and connect with every family. Students are proud of the progress they've made so far and have set meaningful goals—both on and off the ice—for the remainder of Term One. We are grateful for the strong partnership we share with our families; your encouragement and collaboration help our students reach their full potential. Midterm Reports will be sent out on **Monday, November 24th**, and we look forward to continuing the conversation about each student athlete's growth.

Our Social Justice Club and School Council are now in full swing, bringing fresh energy and ideas to our school community. We're excited for the upcoming initiatives our student leaders are planning, and we can't wait to see the positive impact they will make.

This Wednesday's Varsity Boys game became a spirited inter-squad match, and we extend our appreciation to the coaches and players for embracing the change with enthusiasm. The game was fast-paced and fun to watch, and it was truly heartwarming to see so many families in the stands. The crowd's encouragement—and the school spirit from our students—created an electric atmosphere.

Next week, our Varsity Girls will be heading to Guelph and Windsor for their upcoming games. We wish them the best of luck and encourage families to come out and cheer when they can—your support means the world to our athletes.

Warm regards,
Principal Schnarr
