Message From Principal Schnarr

Victus Families!

This week, our focus has been on classroom learning and assessments as we approach the midway point of Term 1. Teachers have begun preparing Midterm Reports, which will be shared with students and parents on November 14th. Stay tuned for more details about our upcoming Midterm Student-Teacher-Parent Conferences.

On Thursday, November 6th, Dr. Carrie Sanders (parent of Fischer and Kinleigh) from Wilfrid Laurier University visited our Grade 12 Challenge and Change class. Dr. Sanders encouraged students to develop innovative presentations proposing solutions to homelessness in our community. The class will present their ideas next week.

We will observe Remembrance Day on Tuesday, November 11th. Students and staff are invited to wear red and black in recognition of this important day. Mr. Moore, Mr. Schnarr, and several Grade 10 students will represent Victus Academy in the Royal Canadian Legion Branch 126 parade and wreath-laying ceremony. At 1:00 p.m., our school community will gather for a special assembly, where Mr. Moore will lead the presentation. Poppies are available for all students —please consider making a small cash donation to support the Poppy Fund.

Looking ahead, on Friday, November 14th, Jackson Slauenwhite will deliver his second presentation topic to the student body.

Thank you for your continued support and engagement in our Victus community!

Warm regards,
Principal Schnarr
