Peak Performers (Athlete of the Week)

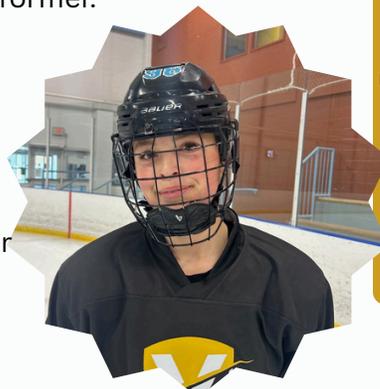

Kier Braunig Grade 7

- Favorite NHL Team - Toronto Maple Leafs**
- Favorite Pre Game Meal- Pasta**
- Favorite NHL Player - Matthew Knies**

Academically, Kier is a well-rounded student who challenges himself with difficult projects, maintains a high average, and is often first to volunteer or support classmates in need. Despite being new, he quickly stepped up during a classroom deep clean—sweeping, vacuuming, and showing natural leadership. In Strength, Kier leads by example with a strong work ethic, sharp attention to detail, and a consistent commitment to setting up and putting away equipment. On the ice, his high aspirations are matched by focused effort. He trains with intensity, agility, and control, and his clear communication during drills and games lifts his entire team. Kier’s consistent effort, leadership, and willingness to support others make him a standout role model and a deserving Peak Performer.

As a confident Grade 8 student-athlete, Kinleigh sets a high standard both academically and athletically, all while demonstrating natural leadership. Though in her first year, her character shines daily—she’s quick to support classmates and has already earned their respect. Academically, she consistently produces strong work, recently earning a perfect score on a math test in Prime Factorization. In Strength, she brings energy and focus, lifting others through encouragement and teamwork. On the ice, Kinleigh’s drive and skill stand out, pushing the pace and setting a high bar for her peers. Her dedication, positive attitude, and team-first mindset make her a true role model and a deserving Peak Performer.
