Of the Week! Highlights

Athletic Guests and Updates

This week, Victus Academy welcomed special guest instructors Jarrod Skalde (former NHL Development Coach), Jim Bedard (former NHL goalie coach), and even a brief appearance by Todd Bertuzzi (former NHL player and current coach of the GOHL's Cambridge RedHawks). We also welcome Cohen Myers to our staff, starting next week, to work with Rob Radford to lead the Victus Falcons girls' team for this season and next. She has playing experience at Wilfrid Laurier University and in Germany, as well as coaching experience in the Ayr Rockets organization.

Dear Victus Families,

We had a wonderful time coming together for our community Thanksgiving potluck this week! Thank you for the delicious dishes you prepared—your generosity and culinary skills made it a memorable event.

School photos took place on Thursday, October 16th. If your student was absent, don't worry—retake day is coming soon. Stay tuned for more details!

Congratulations to last week's Student-Athlete Peak Performers! We're proud of your hard work and dedication.

Best of luck to our Girls' and Boys' Varsity Teams as they head into their showcase games this weekend! Don't forget—our next home game is scheduled for Friday, October 24th at 1:00 p.m. against EPIC Hockey. We hope to see you there!

Warmly,
